

KEY TRAVEL

## Part of the KT Wellbeing Suite

The KT Wellbeing Suite is a portfolio of services uniquely designed to manage the wellbeing of both travellers and the environment alike, and comprises; KT Risk Manager, KT Welfare Card, KT Priority Pass, KT Gold Offset, KT Alert & Medical and Political Evacuation Services.

# Medical & Political Evacuation Services

For organisations working in remote or volatile regions, there is always the underlying risk that you may need to evacuate staff for medical or political reasons. In such an emergency, the speed and quality of response is paramount.

Your duty of care as an employer dictates that you should plan for this eventuality, yet traditionally the insurance costs covering this scenario have been prohibitive to many organisations.

Key Travel is delighted to have teamed up with evacuation specialists  alfaevac, who are revolutionising the industry through an innovative new approach, making a world class service accessible to organisations of all sizes.

## Immediate Access

Speed is vital in evacuation situations. AlfaEvac eliminates the time traditionally taken by insurance companies to assess and approve requests for evacuation by acting as the loss adjuster. AlfaEvac assess and approve evacuation requests themselves from within the Operations centre and then deploy the extraction services from a pre-agreed fund. This has the effect of drastically reducing the time taken to process, approve and fund requests for what is essentially an emergency service.

## Being Where it Counts

Rather than relying solely on their own assets, AlfaEvac coordinate evacuations using a list of over 3000 global service providers, meaning they have the best chance of finding the right resources required where and when you need them. From the point of incident to repatriation,

AlfaEvac ensure the fastest, safest and most flexible service possible. Service providers include security companies, embassies, hospital trusts, local clinics, regional and local ground and air ambulance providers and field clinics.

The service is managed through a 24 hour state of the art operations centre, run by ex-British military personnel with considerable experience of running evacuations in both hostile and benign environments.

## Cost Effective Cover

Traditional insurance premiums covering evacuation services can be prohibitive when you have to arrange global cover for named personnel, on an annual basis. AlfaEvac work with you to assess how long each person will be in-country, and in which regions, enabling you to pay only for what you need. This has the effect of significantly reducing your premiums and makes this type of policy accessible to smaller organisations for the first time.

## Additional Services

### Sickness Only Cover

AlfaEvac offers a service to complement insurance policies which only cover medical costs relating to accidents. Such policies do not cover the holders in case of sickness, often leaving individuals and companies in severe physical and financial difficulty.

### Repatriation of Mortal Remains

In the unfortunate event of an incident proving fatal, AlfaEvac has strategic partnerships with a number of international funeral directors and is the only one recognised by the International Air Transport Association (IATA).

### In-Field Medical Services

In the more remote and challenging parts of the world it is often necessary to have integrated medical capability. AlfaEvac specialises in providing a full range of deployable medical facilities designed to meet your needs.

### Medical and Safety Audits

As part of any Due Diligence to provide a true idea of an organisation's capabilities in a region, thorough site assessments and surveys must be performed. AlfaEvac offers this highly integrated service providing medical expertise, regional up-to-date information and local knowledge around the world.

## Arrange a Consultation

To arrange a consultation on any of the Medical and Political Evacuation Services mentioned please telephone 020 7843 9660 or email [alfaevac@keytravel.com](mailto:alfaevac@keytravel.com)
